1. ORGANISATION OVERVIEW

Name: Luxe Beauty

Brief History:

Luxe Beauty was founded in 2024 by Malesa Walmena, a passionate entrepreneur in her early twenties. Inspired by her love for cosmetics and skincare, she wanted to create a beauty brand that helps people express themselves with confidence while offering affordable luxury.

Starting as a small online beauty store, Luxe Beauty has grown into a trusted destination for makeup, skincare, and beauty essentials. The brand focuses on providing high-quality products that suit every skin tone and beauty style, making luxury beauty accessible to everyone.

Mission Statement:

To provide high quality beauty products that inspire confidence, celebrate diversity, and promote healthy skincare for everyone.

Vision Statement:

To become South Africa's most trusted beauty and cosmetics store by delivering quality products and exceptional customer experiences.

Target Audience:

Luxe Beauty primarily targets:

- Young adults (ages 18-35) interested in skincare and cosmetics
- Beauty enthusiasts looking for affordable luxury products
- Individuals seeking cruelty-free and quality beauty brands
- South African consumers interested in local beauty brands
- Both male and female customers who value self-care and confidence

2. WEBSITE GOALS AND OBJECTIVES

Primary Goals:

1. **Increase Brand Awareness:** Establish Luxe Beauty as a trusted, recognisable beauty brand in South Africa.
2. **Drive Product Sales:** Enable customers to browse and purchase products easily through the website.
3. **Generate Customer Enquiries:** Allow potential customers to enquire about products, services, and consultations.
4. **Build Trust and Credibility:** Share the brand's story, mission, and values to connect with customers emotionally.
5. **Provide Information:** Clearly communicate product details, pricing, and company contact information.

Key Performance Indicators (KPIs):

KPI	Target	Measurement Method
Website Traffic	1,000+ visitors per month	Google Analytics
Enquiry Form Submissions	50+ per month	Form submission tracking
Page Views	5,000+ per month	Google Analytics
Bounce Rate	Below 40%	Google Analytics
Time on Site	2+ minutes average	Google Analytics

KPI	Target	Measurement Method
Contact Page Visits	200+ per month	Google Analytics

3. CURRENT WEBSITE ANALYSIS

Current Status:

Luxe Beauty currently has no active website or online presence. The brand operates through word-of-mouth and limited social media presence. This presents a significant opportunity to establish a professional digital presence.

Strengths:

- Not applicable – no existing website

Weaknesses (Current Situation):

- No online presence means limited brand visibility
- Potential customers cannot find product information easily
- No e-commerce functionality for sales
- Limited ability to collect customer enquiries
- No platform to share brand story and build trust

Areas for Improvement:

- Establish a professional website with a strong visual identity
- Create an accessible platform for customer enquiries
- Build trust through clear brand messaging
- Provide detailed product information
- Establish a consistent brand presence online

4. PROPOSED WEBSITE FEATURES AND FUNCTIONALITY

4.1 Essential Pages

Page	Purpose	Key Content
Home (index.html)	Welcome users and introduce the brand	Hero section, welcome message, why choose us, how to order, customer testimonial
About (about.html)	Share brand story and values	Our story, mission, vision, objectives, core values, founder profile
Products (products.html)	Showcase products	Product listings with images, prices, descriptions, comparison table
Enquiry (enquiry.html)	Collect customer enquiries	Enquiry form with dropdown, radio buttons, number input, date picker, textarea
Contact (contact.html)	Provide contact information	Two branch locations, opening hours table, contact details

4.2 Desired Functionality

- **Responsive Navigation:** Easy-to-use navigation menu across all pages
- **Product Browsing:** Clear display of products with images and prices
- **Enquiry Form:** Functional form with multiple input types
- **Contact Information:** Store locations, phone numbers, email addresses
- **Social Media Integration:** Links to social media platforms
- **Brand Storytelling:** Clear communication of brand values and mission

5. DESIGN AND USER EXPERIENCE

5.1 Colour Scheme

The following colour palette has been selected to reflect luxury, beauty, and sophistication:

Colour Name	Hex Code	Usage
White	#FFFFFF	Background, text on dark sections

Colour Name	Hex Code	Usage
Gold	#C9A96E	Headings, accents, buttons
Dark Navy	#1A1A2E	Footer, headings
Soft Pink	#F9E4E0	Background accents, highlights
Warm Grey	#F5F5F0	Body background
Black	#000000	Primary text
Rose Gold	#E8C4B0	Accents, hover effects

Rationale: The colour scheme combines neutral and elegant tones with warm gold and soft pink accents. This creates a feeling of luxury and sophistication while remaining clean and accessible. Gold represents quality and premium products, while soft pink aligns with the beauty industry aesthetic.

5.2 Typography

Element	Font Family	Size	Weight
Headings (H1-H3)	Playfair Display	24-48px	700 (Bold)
Body Text	Open Sans	16-18px	400 (Regular)
Navigation	Open Sans	16px	600 (Semi-Bold)
Buttons	Open Sans	16px	600 (Semi-Bold)

Rationale: Playfair Display is an elegant serif font that conveys luxury and sophistication. Open Sans is a clean, readable sans-serif font that ensures excellent readability across all devices. The combination creates a modern, professional, and accessible design.

5.3 Layout and Design Approach

Overall Approach:

The design will follow a minimalist, clean layout that prioritises content and visuals. Key design principles include:

- **White Space:** Ample spacing between elements to create a clean, uncluttered feel
- **Visual Hierarchy:** Clear distinction between headings, subheadings, and body text
- **Consistent Branding:** Uniform colours, fonts, and styling across all pages
- **Mobile-First Thinking:** Designs that work on all screen sizes (to be implemented in Part 2)
- **Professional Imagery:** High-quality product and lifestyle photography
- **User-Centred Navigation:** Clear, simple navigation menus that are easy to use

User Experience Considerations:

- **Ease of Navigation:** Consistent menu structure across all pages
- **Readability:** Clear fonts with sufficient contrast against backgrounds
- **Accessibility:** Descriptive alt text for images, semantic HTML structure
- **Consistency:** Uniform layout, colours, and styling throughout
- **Speed:** Optimised images and clean code for fast loading
- **Mobile Responsiveness:** Adapts to different screen sizes (Part 2)

5.4 Wireframes

Low-fidelity wireframes have been created for all five pages showing the layout of each page including header, navigation, content sections, and footer.

6. TECHNICAL REQUIREMENTS

Hosting and Domain:

Requirement	Details
Hosting Platform	Netlify (free tier) or GitHub Pages
Domain Name	www.luxebeauty.co.za (to be purchased)
Hosting Cost	Free (Netlify/GitHub Pages)
Domain Cost	Approximately R150-R300 per year

Programming Languages and Frameworks:

Technology	Purpose	Version
HTML5	Content structure	Latest

Technology	Purpose	Version
CSS3	Styling and responsive design	Latest
JavaScript	Interactivity and form validation	ES6+
Git	Version control	Latest
GitHub	Code repository	N/A

Additional Tools:

- **Visual Studio Code:** Primary code editor
- **Git:** Version control system
- **GitHub:** Remote repository hosting
- **Browser Developer Tools:** Testing and debugging
- **Image Editors:** For optimising images (e.g., Canva, Photoshop)

7. TIMELINE AND MILESTONES

Phase	Task	Start Date	End Date	Duration
Part 1	Research and Planning	Week 1	Week 2	2 Weeks
	Create two proposals	Week 1	Week 2	1 Week
	Submit for approval	Week 2	Week 2	1 Day
	Content Research	Week 2	Week 3	1 Week
	HTML Structure (5 pages)	Week 3	Week 4	1 Week
	File and Folder Structure	Week 3	Week 4	1 Week

Phase	Task	Start Date	End Date	Duration
Part 1	GitHub Repository Setup	Week 4	Week 4	2 Days
	Part 1 Submission	Week 4	Week 4	1 Day
	CSS Styling	Week 5	Week 6	2 Weeks
	Responsive Design	Week 6	Week 7	1 Week
	Testing	Week 7	Week 7	1 Week
Part 2	Part 2 Submission	Week 8	Week 8	1 Day
	JavaScript Functionality	Week 9	Week 10	2 Weeks
	Form Validation	Week 10	Week 10	1 Week
	SEO Optimisation	Week 10	Week 11	1 Week
	Deployment	Week 11	Week 11	1 Week
Part 3	Part 3 Submission	Week 12	Week 12	1 Day

Key Milestones:

1. **Proposal Approval** – Week 2
2. **HTML Structure Complete** – Week 4
3. **Part 1 Submission** – Week 4
4. **CSS Complete** – Week 6
5. **Part 2 Submission** – Week 8
6. **JavaScript Complete** – Week 10
7. **Website Deployment** – Week 11
8. **Final Submission** – Week 12

8. BUDGET

Item	Description	Cost (ZAR)
Development Costs		
Domain Name	www.luxebeauty.co.za (annual)	R250
Hosting	Netlify (free tier)	R0
SSL Certificate	Included with Netlify	R0
Design Assets		
Stock Images	Free resources (Unsplash, Pexels)	R0
Branding	Self-designed	R0
Tools		
Visual Studio Code	Free	R0
GitHub	Free	R0
Figma/Canva	Free version	R0
Maintenance		
Monthly Maintenance	Self-managed	R0
Content Updates	Self-managed	R0
Total		R250

Budget Notes:

- The budget is minimal as most tools and hosting are free
- Domain name is the only recurring annual cost
- All development and maintenance will be handled by the site owner
- Free resources (images, icons) will be used to keep costs low
- No external developers or designers will be hired

9. REFERENCES**Image Sources:**

- Beauty product images: Generated using AI tools (Midjourney) for demonstration purposes
- Free stock images will be sourced from Unsplash (<https://unsplash.com>) and Pexels (<https://pexels.com>) for the final website

1. ORGANISATION OVERVIEW

Name: Hearts of Hope

Brief History:

Hearts of Hope began as a small volunteer initiative in 1997, with a group of Christian volunteers serving children at a children's home in Johannesburg city centre. By 2000, South Africa was confronted by an HIV crisis, and by 2003 the pandemic had reached intolerable levels. The volunteers witnessed the devastating impact of institutional care on children, many of whom were dying of HIV/AIDS due to lack of access to treatment.

This led the group to establish Hearts of Hope as an ecumenical organisation in 2003, with the goal of purchasing a home for six orphaned and abandoned children. They purchased a house in Wendywood, Johannesburg, and began their journey.

Today, Hearts of Hope operates from four properties in Wendywood and provides a loving home to 52 children who have been placed in its care by the children's court. Since 2003, over 306 children have lived in the home, with 16–20 children leaving annually to be reunited with family or adopted. Hearts of Hope is registered as a Non-Profit Organisation (NPO) and Non-Profit Company (NPC).

Mission Statement:

To care for orphaned and vulnerable children, to give them a home and provide them with the much needed love, support and education that they have not received in their previous circumstances.

Vision Statement:

To provide a turning point opportunity of personal and individualised nurturing care for orphaned and vulnerable children.

Target Audience:

Hearts of Hope primarily targets:

- Individual donors and supporters
- Corporate sponsors and partners
- Community members interested in volunteering
- Government departments (Department of Social Development)
- Grant-making organisations and foundations
- Families considering adoption or foster care
- Local businesses interested in corporate social investment

2. WEBSITE GOALS AND OBJECTIVES

Primary Goals:

1. **Increase Donor Engagement:** Enable individuals and corporations to donate easily and securely through the website.
2. **Raise Awareness:** Share the organisation's story, mission, and impact to build trust and attract support.
3. **Recruit Volunteers:** Allow potential volunteers to enquire about opportunities to support the organisation.

4. **Provide Information:** Clearly communicate the organisation's programmes, achievements, and funding needs.
5. **Build Credibility:** Showcase the organisation's governance, compliance, and impact through transparent reporting.

Key Performance Indicators (KPIs):

KPI	Target	Measurement Method
Website Traffic	500+ visitors per month	Google Analytics
Donation Form Submissions	20+ per month	Form submission track
Volunteer Enquiries	10+ per month	Form submission track
Bounce Rate	Below 50%	Google Analytics
Time on Site	2+ minutes average	Google Analytics
Social Media Follows	100+ new followers per month	Platform analytics

3. CURRENT WEBSITE ANALYSIS

Current Status:

Hearts of Hope currently has a basic website (heartsofhope.org.za) that provides some information about the organisation. However, the website is limited in functionality and does not effectively support fundraising, volunteer recruitment, or donor engagement.

Strengths of Existing Website:

- Provides basic organisational information
- Includes contact details
- Links to GlobalGiving donation platform

Weaknesses of Existing Website:

- Limited visual appeal and outdated design
- No integrated donation system

- No volunteer enquiry functionality
- Limited storytelling and impact reporting
- Poor user experience and navigation
- Not optimised for mobile devices
- Limited calls to action

Areas for Improvement:

- Create a modern, visually appealing design
- Implement integrated donation functionality
- Add volunteer enquiry forms
- Improve storytelling through images and impact stories
- Optimise for mobile devices
- Add clear calls to action
- Improve navigation and user experience

4. PROPOSED WEBSITE FEATURES AND FUNCTIONALITY

4.1 Essential Pages

Page	Purpose	Key Content
Home (index.html)	Welcome visitors and inspire action	Hero section, welcome message, impact statistics, featured stories, call to action
About (about.html)	Share organisation's story and values	Our story, mission, vision, values, team, governance
Our Work (our-work.html)	Showcase programmes and impact	Care programmes, education, healthcare success stories
Get Involved (get-involved.html)	Encourage donations and volunteering	Donation options, volunteer opportunities, fundraising events

Page	Purpose	Key Content
Contact (contact.html)	Provide contact information	Location, phone, email, contact form, social media

4.2 Desired Functionality

- **Donation Integration:** Easy-to-use donation functionality (linked to GlobalGiving or integrated payment system)
- **Volunteer Enquiry Form:** Form for potential volunteers to express interest
- **Impact Stories:** Showcase success stories and child testimonials
- **News & Updates:** Share latest news and developments
- **Social Media Integration:** Links to Facebook, X, Instagram, TikTok, WhatsApp
- **Newsletter Signup:** Allow visitors to subscribe for updates

5. DESIGN AND USER EXPERIENCE

5.1 Colour Scheme

The following colour palette has been selected to reflect hope, warmth, trust, and compassion:

Colour Name	Hex Code	Usage
Warm White	#FDFCF8	Background
Deep Navy	#1A2A4A	Headings, navigation, footer
Warm Gold	#D4A854	Accents, buttons, highlights
Soft Coral	#E8836B	Call to action, highlights
Light Grey	#F0EDE8	Section backgrounds
Dark Grey	#4A4A4A	Body text

Colour Name	Hex Code	Usage
Teal	#2B7A78	Secondary accents

Rationale: The colour scheme combines warm, comforting tones with professional, trustworthy colours. Navy conveys stability and trustworthiness, which is essential for a non-profit organisation. Gold and coral add warmth and hope, reflecting the organisation's mission. The overall palette is professional yet approachable, suitable for donor engagement.

5.2 Typography

Element	Font Family	Size	Weight
Headings (H1-H3)	Lora or Merriweather	24-48px	700 (Bold)
Body Text	Open Sans	16-18px	400 (Regular)
Navigation	Open Sans	16px	600 (Semi-Bold)
Buttons	Open Sans	16px	600 (Semi-Bold)

Rationale: Lora is an elegant serif font that conveys warmth and tradition, suitable for a non-profit organisation. Open Sans is a clean, readable sans-serif font that ensures excellent readability across all devices. The combination creates a professional, trustworthy, and accessible design.

5.3 Layout and Design Approach

Overall Approach:

The design will follow a clean, warm layout that prioritises storytelling and calls to action. Key design principles include:

- **White Space:** Ample spacing to create a clean, uncluttered feel
- **Visual Hierarchy:** Clear distinction between headings, subheadings, and body text
- **Storytelling Focus:** Use of images and quotes to tell the organisation's story
- **Mobile-First Thinking:** Designs that work on all screen sizes (to be implemented in Part 2)

- **Trust Signals:** Display of certifications, compliance information, and impact statistics
- **User-Centred Navigation:** Clear, simple navigation menus that are easy to use

User Experience Considerations:

- **Ease of Navigation:** Consistent menu structure across all pages
- **Readability:** Clear fonts with sufficient contrast
- **Accessibility:** Descriptive alt text for images, semantic HTML structure
- **Consistency:** Uniform layout, colours, and styling throughout
- **Speed:** Optimised images and clean code for fast loading
- **Mobile Responsiveness:** Adapts to different screen sizes (Part 2)
- **Trustworthiness:** Clear display of NPO registration, compliance, and impact

5.4 Wireframes

Low-fidelity wireframes have been created for all five pages showing the layout of each page including header, navigation, content sections, and footer.

HEARTS OF HOPE			HOME ABOUT US OUR WORK GET INVOLVED CONTACT		
OUR STORY SECTION					
Our Story Hearts of Hope was founded in South Africa with a deep passion to make a difference in the lives of orphaned and vulnerable children. What began as a small act of compassion has grown into a loving home where children are given care, hope and a brighter future. Over the years, through the support of our donors, volunteers and partners, we have been able to provide shelter, education, healthcare and emotional support to many children in need. Our journey continues as we strive to create lasting change and build a stronger tomorrow for every child.					
MISSION SECTION					
Our Mission To care for orphaned and vulnerable children, to give them a home and provide them with the much needed love, support and education that they have not received in their previous circumstances.					
VISION SECTION					
Our Vision To provide a turning point opportunity of personal and individualised nurturing care for orphaned and vulnerable children.					
VALUES SECTION					
Our Values • Respect for each other • Humility • Honesty • Integrity • Forgiveness • Generosity					
TEAM / GOVERNANCE SECTION					
Our Team Deborah van Dongen – CEO and Co-founder Our team is made up of passionate and dedicated individuals who are committed to serving children with love, dignity and respect. Together with our board of governance, staff and volunteers, we work hand in hand to ensure every child receives the care, protection and opportunities they deserve.

Our Work

Care & Protection

We provide a safe, loving and stable environment for orphaned and vulnerable children through our family-style homes. Each child receives personal care, emotional support and guidance to help them grow with dignity and security.

IMAGE PLACEHOLDER

Education

Our on-site ECD centre gives our children a strong start in early childhood development. We also support primary and high school education by providing school fees, uniforms, stationery and extra academic support.

IMAGE PLACEHOLDER

Healthcare

We ensure that every child has access to quality medical care. From regular check-ups and immunisations to specialised treatment, we prioritise the health and well-being of our children.

 22% of children on chronic medication for asthma and eczema

IMAGE PLACEHOLDER

Success Stories

Every child's journey inspires hope. Here are two of the many stories of children who have found love, belonging and a brighter future.

IMAGE PLACEHOLDER

Thabo's Story

Thabo was adopted by a loving family in 2022. Today, he is thriving, doing well at school and loves playing soccer.

IMAGE PLACEHOLDER

Lerato's Story

Lerato was reunified with her family in 2023 after receiving the care and support she needed. She now visits regularly and is doing well.
